Pandit Kunjilal Rashtriya Sansadiya Vidyapeeth conducts a competition of Youth Parliament among the schools/colleges of Bhopal.

Our college participated in the college category, and organized the program on 21st March 2023 at our college's new hostel auditorium.

We prepared for this competition for over 2 weeks. Our college team did not only consisted of political science students, but students from various faculties came to participate in the competition.

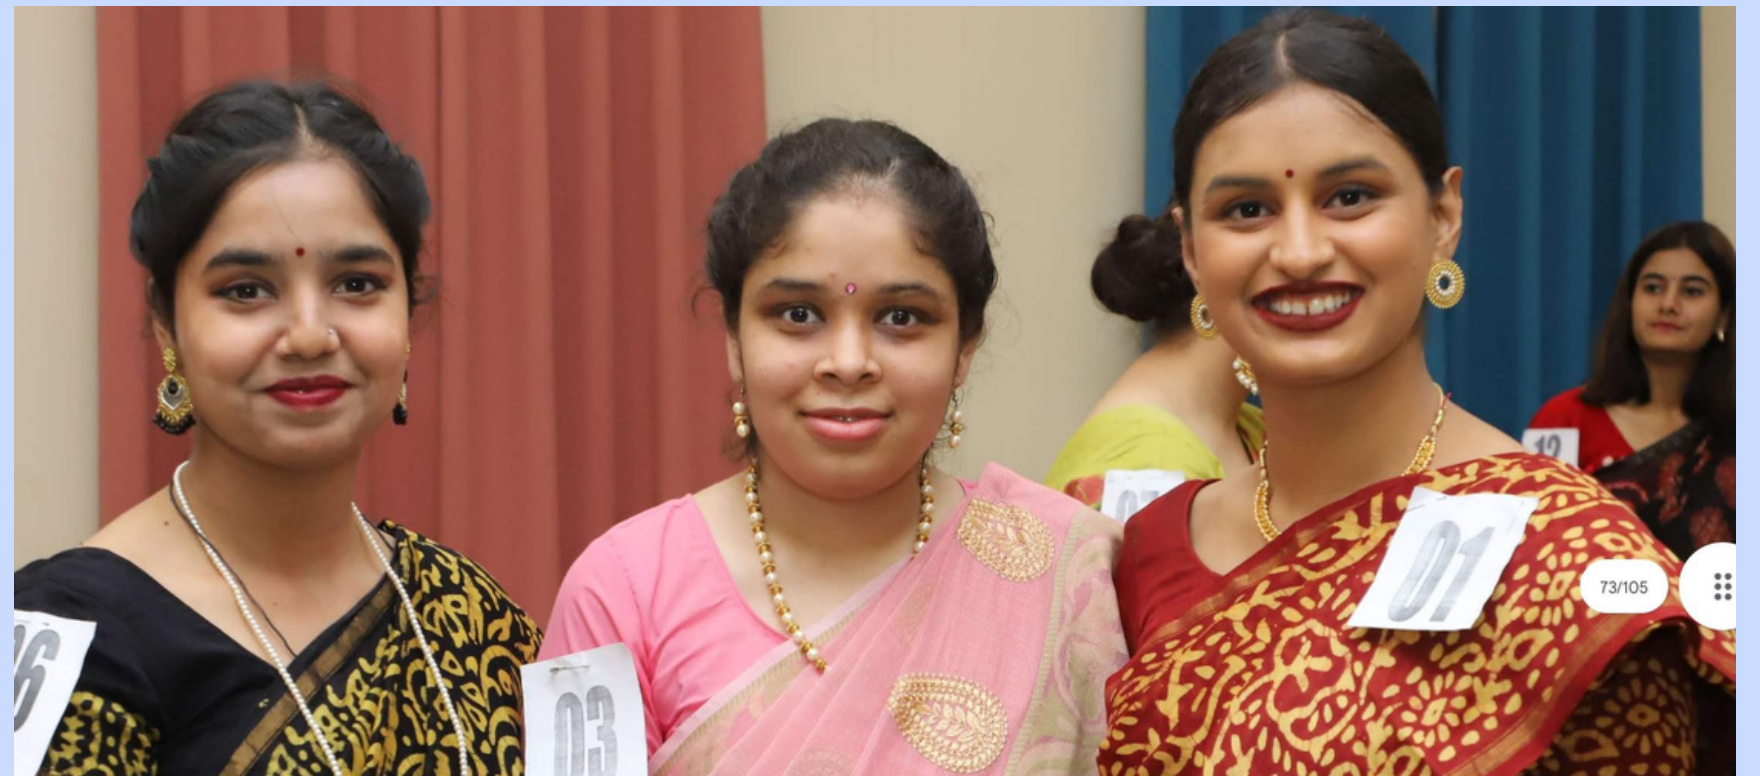

I got the role of Speaker and thoroughly prepared for it. As I got one of the most important role of the parliament, I really did put my hard work into my script and practiced it. I was also trying to coordinate with my team members and also helped them with their roles.

I was also guided by my teachers, Dr. Shriji Seth and Dr. Harsha Chaturvedi. They told me my mistakes and helped me in correcting them.

The final presentation went really well and judges got impressed by our performance. They praised us for choosing the current affairs and appreciated our hard work.

THANK YOU
