# Annual **Quality Assurance Report**

## **Session 2016-2017**

# Sri Sathya Sai College for Women

Kasturba Hospital Road, H.E.P.O. Habibganj, Bhopal-462024

Fax:0755-2451119, website: www.srisatyasaiedubpl.org

Email-id: <a href="mail-ssswcbhopal@yahoo.co.in">ssswcbhopal@yahoo.co.in</a>

# **MISSION STATEMENT**

"In this College the medium is Discipline; the first, second and third languages are Love, Service and Sadhana".

### **VISION**

"We envision the emancipation and empowerment of women through value based education and enabling them to participate actively in the work of nation building and social reconstruction".

## **OBJECTIVES**

- Development of well-integrated personality, by making the students aware of their intellectual and spiritual capabilities, and by helping them to channelize their capabilities for the moral and social reconstruction.
- To develop faith in God and restore a profound sense of national pride by highlighting our ancient culture and value based education of the past.
- To instil discipline, self-confidence, spirit of sacrifice and brotherhood.

### The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. (*Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013*)

### Part - A

AQAR for the year (for example 2015-16)

### I. Details of the Institution

1.1 Name of the Institution	Sri Sathya Sai College for women	
1.2 Address Line 1	Kasturba Hospital Road	
Address Line 2	BHEL Habibganj	
City/Town	Bhopal	
State	Madhya Pradesh	
	462024	
Pin Code	462024	
Institution e-mail address	ssswcbhopal@yahoo.co.in	
Contact Nos.	0755 2451119	
Name of the Head of the Institution:	Dr.(Smt.) Sudha Pathak

4.5 Computer, Internet access, training to teachers and students and any other programme for technology upgradation (Networking, e-Governance etc.)

Every department has been provided with computers and broadband internet connectivity.

- We have an internet centre for students and teachers for browsing and download if required.
- Students are encouraged to make power point presentation for their project and encouraged to use web content liberally.
- Computer literacy class for all UG students.
- Availability of Computing/Printing/Internet browsing facility.
- In-house Internship programme for VI Sem students of all faculties in Web Designing, PHP MySQL, Modern Office Management, Tally, Android etc. and research based internship specifically in Physics, Botany, Microbiology and Chemistry using rich contents of INFILBNET.
- Compulsory use of ICT for optimum use of technology in teaching.

• Teacher training under e-Shakti abhiyan from time to time. Following are the details of training:

S.No. Date on which activity was organized

Activity

1. 17 Dec 2016 Training on 'Power Point Presentation using Smart arts'

2. 19 Dec 2016 Training on 'Features of Mailing Facilities'

3. 8 march 2017 Training on 'Cloud Computing & Cyber securities'

Training programme for teachers on Net Banking and Mobile Banking was done by IQAC

### 4.6 Amount spent on maintenance in lakhs:

i) ICT	14.99
--------	-------

# Criterion – V 5. Student Support and Progression

### 5.1 Contribution of IQAC in enhancing awareness about Student Support Services

The institution publishes its updated prospectus annually. The information content thus familiarizes the students with the college functioning, rules and facility available to the students at the beginning of the academic year.

- Cashless Transaction
- e-Banking or Net Banking
- Reception counter was established for providing information to visitors and students.
- Student support services/facilities available are displayed at prominent places.
- Phone and reprography facility provided for student and teachers.
- Advisor-Advisee system is followed. The teacher advisor is constantly available to
  provide necessary guidance to the students regarding their on/off campus problems and
  career guidance and support.

### 5.2 Efforts made by the institution for tracking the progression

Different cell and societies are working for tracking the progression like Swami Vivekanand Career Guidance, placement cell, counselling cell. Advisors and other faculty members are in touch with the allumini of the institution through social media and track their progression.

### Demand ratio

Admission to all UG and PG classes are conducted by Department of Higher Education, Govt of M.P. through the online system. Students apply for admissions in various courses as per their liking on the portal of Higher Education giving their preference of Colleges. The students get their seats in various colleges on the basis of merit and the choices opted by them. Hence we get only the list of students to be admitted to the college. Thus demand ratio cannot be assessed as almost 90% students opting and allocated seats in our college take admission.

### Dropout %

UG	3.78%
PG	15.5%
B.Ed.	11.4%

5.9.2

- 6.2 Does the Institution has a management Information System? No
- 6.3 Quality improvement strategies adopted by the institution for each of the following:

### 6.3.1 Curriculum Development

- Our College follows the curriculum prescribed by Barkatullah University, Bhopal and Department of Higher Education, Govt.of M.P. We do not have any autonomy in curriculum development.
- Since the institution aims for the all around development of students that is why we emphasise on extracurricular activities and personality development besides academic.
- In order to have personality and skill development, the various department of the college organizes competitions, lectures, training programmes and workshops throughout the years.
- Teachers are encouraged to employ learner friendly methods for curriculum delivery and teaching.
- Teachers contribute by their representation as members of Board of Studies (BOS) in Barkatullah University and other autonomous college.
- Some of our teachers are member of BOS in University, Autonomous Colleges & Central Board of Study.
- Our teachers have attended curriculum development workshops and participated as resource person.

### Details in Annexure XI

### 6.3.2 Teaching and Learning

Our main aim is to develop interest among students of analytical studies & in depth knowledge. We are strongly willed for the upliftment & education of girls. Students are required to prepare assignment & projects and are motivated through continuous comprehensive evaluation.

#### 6.3.3 Examination and Evaluation

- University conducts examination and is responsible for evaluation.
- We follow semester system with continuous comprehensive evaluation.
- HODs and teachers monitor the performance of the students by analysing the examination results through Advisor-Advisee System.
- CCE includes class room performance, term assignment, punctuality, regularity and general behaviour.
- Practical Examination & Internship.
- They are also evaluated on the basis of their performance in extracurricular activities. We follow the structured CCE programme in each year of study as follow.

### Class

### I Year UG

- II Year UG
- III Year UG

• I & II Year PG

#### Mode of CCE

- Assignment + Chart making +Class test (MCQ)
- Assignment +Model (working/ Static)/Role play+ Class test
- Assignment + Power Point Presentation + Class Test
- Assignment, Question bank, Classroom teaching, Power point presentation, Charts.

### 6.3.4 Research and Development

- To promote the research environment of the college we have a Research Committee which looks after the research activities of the institution.
- Teachers are encouraged to take up research projects with UGC and other funding agencies. To orient students towards research, students are guided for in-depth studies and analytical thinking.
- . The money generated through consultancy may be used by the same department to carry out research activities.
- Teachers and students attend seminars / conferences and present papers. Teachers are involved in UGC minor research projects and publish papers in different National and International research journals of high impact factor.
- Some of our teachers are registered research guides of Barkatullah University and Atal Bihari Vajpayee Hindi Vishwavidyalaya.
- Refund of Registration Fees to the faculty members attending workshops, seminar and conferences under PTAC.
- Students are also encouraged to undertake dissertation and write research paper. We have a separate provision for the promotion of research

### 6.3.5 Library, ICT and physical infrastructure / instrumentation

- ICT enabled Classroom. LCD Projectors for audio visual presentation.
- CCTV Cameras for general security of the campus.
- Seminar hall with all ICT Equipment is in making.
- Instruments worth 62 lakhs were procured by Science faculty for improving quality of teaching and research under DST-FIST programme.
- Open air Auditorium is under construction.

### 6.3.6 Human Resource Management

We have a cell for HRM which looks after the welfare of the employees. It also considers the optimum utilisation of the available human resource. Some of the welfare schemes are

- Monetary help to employees suffering from serious ailments.
- Registration of all workers getting salary upto 20, 000 under ESI scheme.
- Provident fund facility to all workers of the institution.

### 6.3.7 Faculty and Staff recruitment

Faculty is recruited on the basis of their performance in personal interview held under the College Code 28 of Barkatullah University. Other staff members are directly recruited by the management as per norms of Govt. of Madhya Pradesh.

### 6.3.8 Industry Interaction / Collaboration

- Collaboration with SCAN Laboratory Indrapuri Bhopal.
- An indrustrial visit was organised to Sanchi Milk Federation, Bhopal

### 6.3.9 Admission of Students

- As per the instruction of the Department of Higher Education Govt. of M.P, Online admissions are conducted. The system is 100% transparent and student friendly.
- We receive a list of students to be admitted to the various programmes and the whole process of admissions is conducted as per University norms.

syllabus Prepared.

The University promotes the affiliating college to attain an autonomous status. College has applied for the same and we will attain the autonomus status in the current session.

- The affiliating university extends its support and guidance to the colleges aspiring for autonomus status.
- University and Departments of Higher Education has earmark the college accredited with grade A of NAAC to become autonomous fully.

### 6.11 Activities and support from the Alumni Association

The College has an active Alumnae association.

• The association organizes activities from time to time and also supports the institution in its social activities.

Some of the activities organised by Alumnae association are :-

- The association publishes its magazine Sai Sagar.
- The association also organises a get together annually along with the teachers in the college.
- A lecture series is organised on the techniques of restoration of buildings of Archaeological importance and a heritage is organized by allumini association.

### 6.12 Activities and support from the Parent – Teacher Association

- A formal Parent –Teacher Association has not been formed but teachers interact with the parents periodically to solve the issues and problems of their wards.
- Parents Teacher Meet (PTM) is held once in every semester.
- Parents are invited randomly to give Feedback on the functioning of the college and various facilities provided through a feedback form. The collected feedback is analysed by feedback committee and report is submitted to Principal and Govering Body of the College.

The College has always encouraged the support staff for further studies for enhancing their skills.

The following training programmes were conducted for them in the college.

- > Systematic training on use of ICT tools.
- Training programme for proficiency in MS Office and Tally.
- ➤ Instrumentation workshop for laboratory technical staff.

### 6.14 Initiatives taken by the institution to make the campus eco-friendly

- The college has beautiful gardens which are blooming with various Rose plants and seasonal plants. Class IV employees are constantly engaged to maintain neat and clean campus.
- Swach Bharat Abhiyan
- Plenty of pots and planters are kept all over the campus. Tree plantation is done every year.
- The college has a small garden specifically for medicinal plants. There is yet another small garden for desert plants named as 'Desert Bloom'.
- The college also maintains a 'Navgrah Vatika and Butterfly garden'.
- Students and staff of the college are constantly vigilant to maintain polythene free campus.
- Vermicomposting pits produce organic manure which is used in making college garden land fertile.
- We have two separate pits for decomposing biodegradable and non-biodegradable waste.
- A water harvesting system has also been established to conserve rain water.
- A solar panel has also been constructed to utilize solar energy and is yet another major effort by the college towards energy conservation.
- Various Compititions are organized from time to time to encourage students and for creating awareness about eco friendly environment.

### **Criterion - VII**

### 7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the Functioning of the institution. Give details.

Four days residential spiritual camp held on 20.10.16 to 23.10.16 based on Indian culture and spirituality for the holistic development of students.

- Training program organized by library to train the students and teachers for browsing and extracting the required information from "Manupatra legal research database" on 27.7.16
- Facility of E-Journal and E-Book under N-List program of Inflibnet
- News Letters were released by various departments. As mention below
  - 1. "Spandan" by Students of Department of Physics
  - 2. "Bioilluminati" by Students of Department of Bioscience
  - 3 "Anant" by Students of Department of Mathematics
  - 4 "Compu-talk" by Students of Department of Computer Science
  - 5 "My own Commerce" by Students of Department of Commerce
  - 6 "Vivdha" by Students of Department of Education
  - 7 "Mind's Eye" by Students of Department of Political Science
  - 8 "Interface" by Students of Department of English
  - 9 "Sai Sagar" by Students of Department of Alumne Association
  - 10 "Itihas" by Students of Department of History
- In house training for job oriented project (JOP)was conduceted by various department which led to fund generation
- Research based in house project for students
- Skill development program organized by various department for the advancement
- of the students .As mention below
  - 1. Department of English organized classes for "Communicative Skills in English" for the students of all faculties.

### Details in Annexure XII

7.4 Contribution to environmental awareness / protection

Protection of Environment is not only the responsibility of the government, organization or any institution. The Environment affects the growth and development of the person. It is the individual's duty to keep the surrounding clean. To aware the students about their duties towards the environment, Environment society of Sri Sathya Sai College for women had taken certain steps. Following activities were done in the session 2016-17 by the environmental society to achieve the stated goal.

- 1. Students were always groomed and sensitized to keep their classes, corridor and campus clean and environmental conversation.
- 2. Many students participate in various competitions held at Paryavaran parisar E-5 by WWF India, MP & Chattisgarh state office from 1<sup>st</sup> October 2016 to 7<sup>th</sup> October 2016. The students were motivated to participate in the events occurred in Van Vihar National Park under Wildlife Week 2016. Various competitions were held there along with "Bird Watching".
- 3. Many students participate in the poster competition held in van vihar at 1<sup>st</sup> October 2016. The theme of the competition was "Environment Protection".
- 4. On 3<sup>rd</sup> Oct 2016 under "Swach Bharat Abhiyan" program campus of Sri Sathya Sai College for women was cleaned by students and college staff. Students and staff of all faculties participate in the campus cleaning program and understand their duties towards cleaning of environment.

- **4. Essay competition** was organized department of Political Science on 7<sup>th</sup>October2016.The topic of competition was "Gandhiji ke Darshan"
- 5. For the sustainable environment reuse and recycling of waste materials are important steps. For the same purpose workshop on Bio-bags preparation was organized on 8<sup>th</sup> October 2016 under Swachta se divyatakiaur programme. Sale and display of bio-bags was done on 15 October 2016.
- 6. A lecture on "limited usage of materials" was held on 10 October 2016.
- 7. A painting competition on "Swach Bharat Humari Zimedari" was held on 13 October 2016.
- 8. A workshop on "manure formation through wastes" held on 14 October 2016.
- 9. **Speech competition** was organized on 18 October 2016.
- 10. A play on "Sawachta se divyatakiaur" was performedon 19 October 2016.
- 11. A competition "Best out of waste" was organized by the environmental society. The students as well as staff participated in the competition enthusiastically. The developed materials were displayed also in the hostel during spiritual camp i;e from 20 october 2016 to 22 october 2016. The results were categorized in different categories.
  - > Smt. Archana Chouhan received the I<sup>st</sup> Prize in the "Best Out Of Waste Category Competition".
  - **Ku. NidhiTripathi** received the I<sup>st</sup>prize in student category.
  - > Dr. Romsha Sharma received I<sup>st</sup> prize in the "Bag making competition" from the waste paper or clothes.

7.5 Whether environmental audit was conduct	~	Yes	No

#### **STRENGTH**

- 1. The Mission, Vision and Objectives set out by our Chancellor Sri Sathya Sai Baba is our greatest strength.
- 2. Well furnished auditorium with ICT facility.
- 3. Well equipped computer literacy lab Training Programmes were conducted by other professional institute. We can generate fund by this.
- 4. College is one of the reputed and iconic institutions which has created a benchmarks on the horizon of education in Bhopal for empowerment of women for the past 43 years
- 5. College has highly qualified faculty engaged in research and writing books. More than 70% of our teachers have doctorate degree and most of them are actively engaged in research by publishing papers in national and international journals. 45 of our faculty have participated in international Conferences/Symposia in USA, France, China, Singapore and Japan.
- 6. Research and infrastructure grants from funding agencies like UGC and DST.
- 7. We have well equipped Research lab for research work. Student from outside the college can also awail this facility and we can generate fund by this.
- 8. College is a Grant-in-Aid college and has a vast campus of more than 19 Acres with lush green gardens. Infrastructural facilities of the institution are to facilitate smooth higher education.
- 9. Regular publication of college organizes "Divya" and departmental newsletter to showcase the talent of students.
- 10. Thrust on quality value-based education through healthy practices to develop positive attitude, leadership qualities and self-awareness.
- 11. Pioneers of teacher- parent contact and "Advisor Advisee" system from the beginning since 1975.
- 12. World class exposure to students and faculty through enrichment programmes and through upgraded activities like International and National Seminars, Workshops and Conferences.
- 13. Exposure and interaction of students with visiting academicians.
- 14. State of the art infrastructure and rich laboratories and library.
- 15. ICT enabled interactive teaching-learning and participatory management practices.
- 16. Promotion of Research aptitude among UG and PG students under the guidance of highly qualified faculty.
- 17. Linkages and collaborations with Industry to boost confidence and creativity in students and augment career prospects.
- 18. Lots of self-financing courses available for the girls spanning over 6 faculties.
- 19. Girls Hostel with the capacity of 108 students, fully automated Library, Gymnasium with all modern gym equipment 's, Canteen, Student Activity Centre, two vehicle stands are some of our highlights.
- 20. Interdisciplinary Research Journals "Highbrow" is published by the College in promote research environment in the college.

#### **WEAKNESSES**

- 1. Controlled procedures to introduce new age programmes at UG and PG.
- 2. Erratic schedule of admission and university examinations off-set the academic and cocurricular activity of the college.
- 3. Less number of teaching posts in certain departments where number of student is very high.
- 4. Affiliation and recognition of research centre in various subjects is still under process.
- 5. Lack of soft skills and general awareness in most of the students.
- 6. We wish we had more funds with us to serve and cater to the needs and aspirations of our students and teachers.
- 7. Though our college library provides free and open access to students to peruse and read books in the comfort of a reading room, but the capacity of the room is only limited to 100 students. This facility needs to be extended to at least 300 students at a time.
- 8. The 9 P.G. programmes have small number of student's on-roll.

#### **OPPORTUNITIES**

- 1. Borderless knowledge scenario in the wake of liberalization and use of ICT to reach out to the global pool of knowledge
- 2. To provide education to the first generation learners of economically weaker class.
- 3. Developing sports facilities including a gymnasium for yoga in wake of various Govt. scheme to strengthen institute of higher Education. (Proposal sent to UGC).
- 4. To improve the general awareness and soft skills of the students.
- 5. We can provide more Research based job-oriented programmes. Hence it is women college we had lot of scope to empower women.
- 6. Strengthening of Alumnae Association to support the developmental activities of the college.
- 7. Now we have a great opportunity to augment inter disciplinary and multi-disciplinary courses and also courses which provide employment for instance B.Com.,LL.B.; B.Sc., LL.B. 5 year integrated courses and BA B.Ed., B.Sc. B.Ed. etc.
- 8. We have an opportunity to provide on hire people from outside for coaching/training needs of students within the premises of the college. This will result in revenue inflow in the college.
- 9. Language skills are sown, honed and mastered during 5 years period in the college. Unfortunately, colleges in general do not pay attention to individual student in a scientific and persevered manner. Now is the time to pay in-depth attention to skill development part associated with language, IT skills and Business Mathematics.
- 10. It is indeed very opportune time to equip and trained teachers and parents in the arts and science of parenting associated to the challenges young people are faced with.

- 11. Last but not the least; spiritual life is the answer to many odds faced by students, teachers and parents. The college has accepted the challenge of creating spiritual environment for the college students.
- 12. 12. We have a strong opportunity to develop the teaching and research facilities of the institution as various funding agencies have launched many schemes to support and augment quality of higher education in India to Grant-in-aid college as well.

#### **CHALLENGES**

- 1. Limitation and constraint in government financial support
- 2. To achieve academic excellence despite adhoc enrolment of teachers
- 3. To motivate the faculty and staff for changing scenario and teaching practices in Higher Education
- 4. New mushrooming colleges with no infrastructural facility and ethics.
- 5. To establish the college as a recognised research centre in some department due to slow procedures of university affiliation.
- 6. To educate and make the students aware of the sanctity of the institution so that
- 7. The traditional general UG and PG courses specially in Arts and pure Science subjects are no longer attractive to students. This has a bearing on the fee revenues of the college and also usefulness of teaching faculties. Some of the courses may die an untimely death.
- 8. The present system of enrolment in courses run by prestigious career oriented institutions is posing a grave threat to the regularity of students in the class rooms. Because students now a days make 3 years advance preparation to crack CAT/MAT/GMAT/CA/CS etc. examinations through private coaching classes.
- 9. The employability of students after UG/PG courses is mainly dependent on their language skills and proficiency in subject contents their ability to the IT friendly skills. The lack or inadequate skills is the main cause of unemployment and resulting in differentness of young minds these days.
- 10. Even knowledgeable and well placed parents and teachers find it hard and difficult to advice/ charter the course of action for young people these days. This is resulting in a state of disrespect or zero value of the institutions of teachers and parents.

#### 8. Plans of institution for next year.

- The institution plan to apply for grants under RUSA scheme of Govt. of India and DBT Star Scheme.
- To introduce new programs like BA B.Ed. and B.Sc. B.Ed
- > To conduct quality related workshops and seminars.
- > To develop a practice of regular annual SWOT analysis.
- > To earn the autonomous status for the college.
- To develop a system which will facilitate students to assess their learning and growth .To conduct capacity building programmes for students and teachers.
- > To establish a system for human resource management
- > To initiate development programs for support staff.
- To start courses in communicative skills in English, functional Hindi and Computer literacy for students of all faculties. Once autonomous we can start various Job Oriented Vocational Certificate Courses.
- More teachers to register as research guides and establish research departments.
- > To publish departmental research journals for students.
- > Participation in resource sharing network/Consortia like NME through a view platform

2016-17

## **INDEX**

- 1. Introduction
- 2. Analysis of Students' Feedback
- 3. Analysis of Parents' Feedback
- 4. Analysis of Alumnae Feedback
- 5. Analysis of Stakeholders' Feedback
- 6. Conclusion

#### INTRODUCTION

"Education is for life, not merely for living. It's sole aim is to unite the qualities of Head, Heart and Hands. So that you are better equipped to serve yourself, the family, society and the Nation."

#### - Bhagwan Sri Sathya Sai Baba.

With this in mind Sri Sathya Sai College for Women, Bhopal was established. Our objective is not only to enable our students earn a living but also to acquire good traits and lead ideal lives.

In the modern context education has been commercialized. It is being looked upon as a commodity of which students are consumers. Therefore, consumer's satisfaction becomes the prime objective of education today. Career oriented education has become the trend and the objective of modern education. While the career aspect cannot be neglected, we as educationist of an educational institute like Sri Sathya Sai College for Women, Bhopal, feel that **Education is for life and not just for living**. Providing value based education gives our institution a distinct status.

To keep ourselves apprised of the views and suggestions of the students and their parents regarding the institution, questionnaires were prepared for students and parent's alumni and

stockholders separately. On the basis of the data collected an analysis has been made consisting of four parts. The first part consists of the students Questionnaires prepared by the college, which

were circulated among the students of the college. Similarly, second part was provided to the parents. The third part consists of the Alumni and the fourth part was for the Stockholders.

Four formats were circulated among 302 graduate and post graduate students at random of various faculties. The analytical results obtained have been placed in the form of tables. The above exercises have been done on random sampling method, which is commonly adopted method.

On the whole, these questionnaires are of paramount importance to the college administration, in order to study and analyze the students' evaluation for the improvement of the college administration, atmosphere and various educational facilities.

# **STUDENT FEEDBACK**

(Designed by the College Feedback Committee)

# **ANALYSIS OF STUDENT FEEDBACK FORMS**

Students are always welcomed for suggestions and giving views. An educational institution is the main source of students overall development. They are acknowledged by inviting their feedbacks to fulfill their expectations and aspirations.

A random questionnaire regarding the facilities provided by the college was prepared for the students of the college inviting their views.

Data so collected was tabulated and was subjected to the statistical analysis. This analysis was very motivating and encouraging for the college. The views and suggestions of the students have been reviewed and balanced decisions have been made for their betterment.

The analysis is as follows.....

## STUDENT'S FEEDBACK ANALYSIS

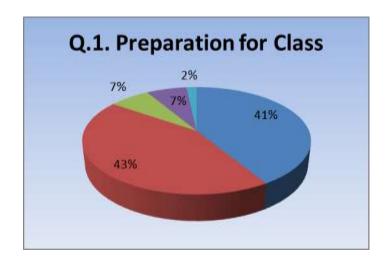

# I. Course and Teaching Evaluation

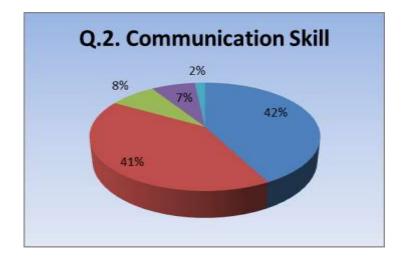

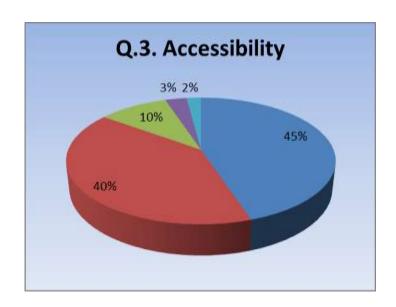

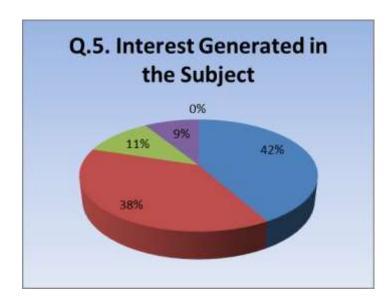

## II. Student's Feedback on Teachers

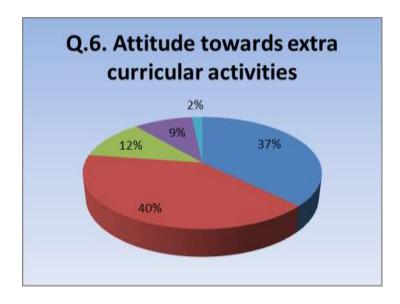

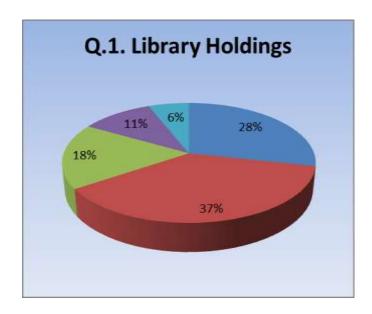

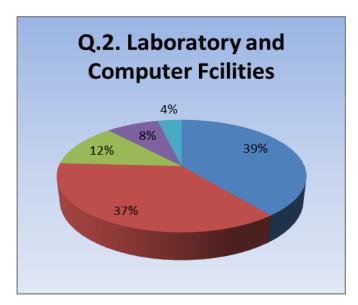

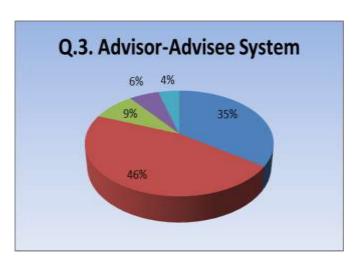

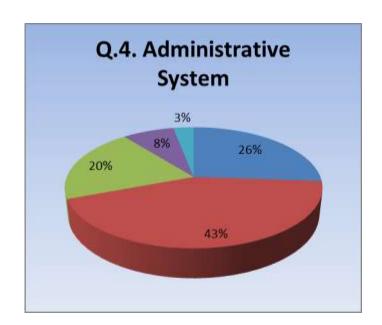

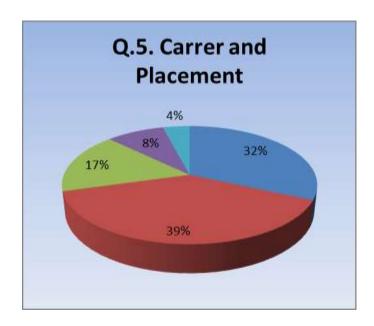

# III. Student's Support System

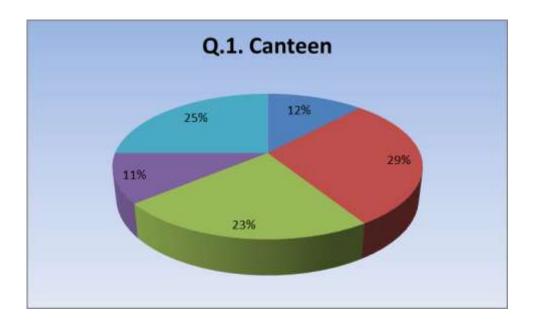

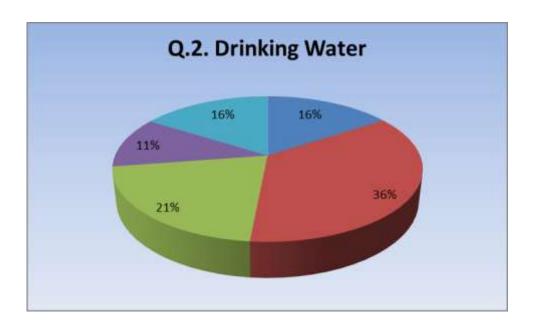

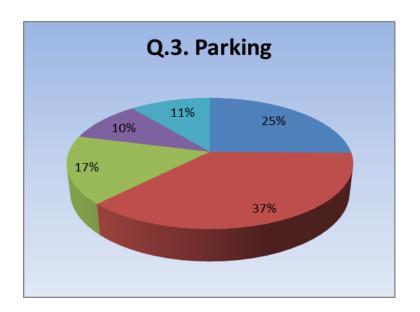

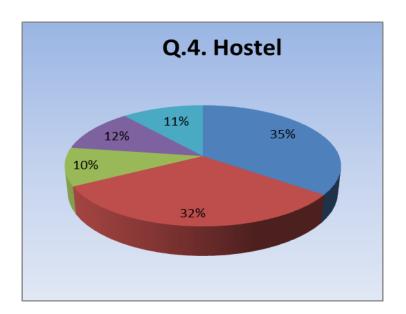

## IV. Basic Facilities for Students

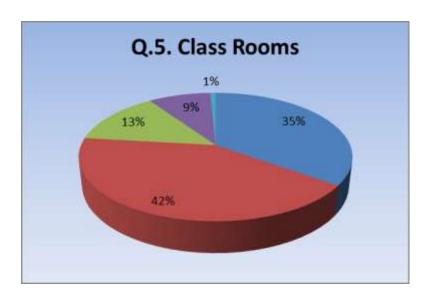

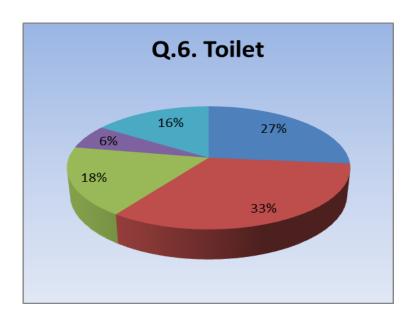

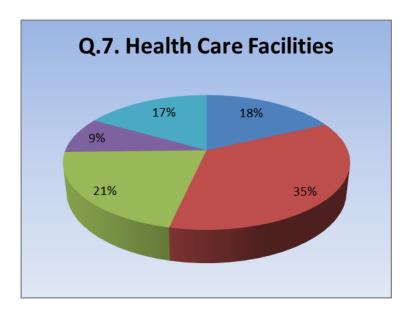

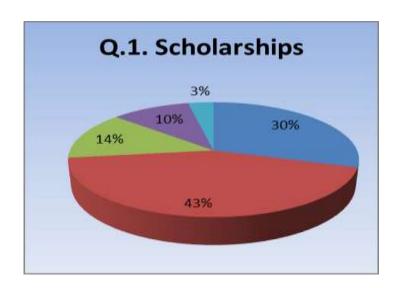

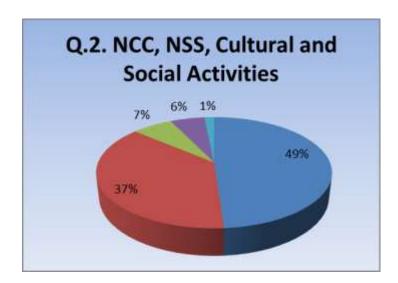

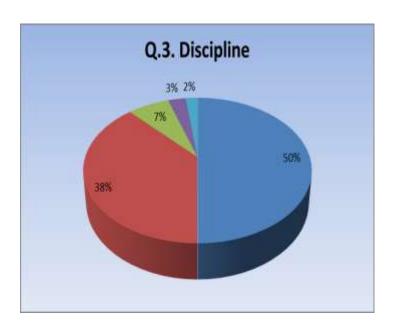

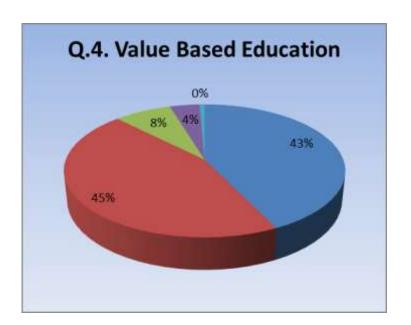

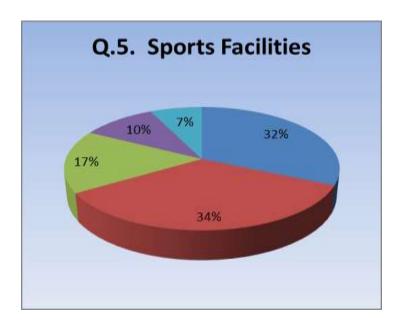

# V. Students Progression

# **PARENTS' FEEDBACK**

(Designed by the College Feedback Committee)

# **ANALYSIS OF PARENTS' FEEDBACK FORMS**

The influence of parents on the children's minds is very significant. It is actually the primary and dominant influence on the child's personality and behavior pattern.

Their opinions, suggestions and their views all count in the betterment of the child as well as the institution. The father and the mother must supplement at home the training given by the teacher at school and college.

A questionnaire was prepared seeking the opinion of the parents. The data so calculated was statistically analyzed.

The analysis is as follows.....

#### STAKEHOLDER'S FEEDBACK ANALYSIS

#### **CONCLUSION**

By the analysis of students' feedback on course and teaching evaluation, it is concluded that, the students are highly satisfied by the syllabus and they find the syllabus very relevant to the real life situation. According to the students, more than 90% of the syllabus was taught in the class in this session. The CCE was conducted fairly during the session. The use of information technology in teaching is very effective in their studies.

From the analysis of students' feedback on teachers it can be concluded that, the teachers from all the faculties are sincere and committed. Their communication skills are good and they prepare well for their classes. Their way of teaching is helpful to generate interest in the subject and they encourage students for the various extra-curricular activities as well. Students are quite satisfied with the facilities like library, laboratories, computers etc. They appreciate the advisor-advisee system of the college. According to them, good career and placement opportunities are provided in the college.

Although college has good infrastructure and good basic facilities like canteen, drinking water and health care are provided by the college, students feel that some facilities like toilets, parking and health care should be improved. It can also be concluded that students are satisfied with the facilities like scholarships, NCC, NSS and sports. They appreciate the discipline in the college.

Similarly parents' feedback analysis shows that, in their view the college is one of the renowned colleges of the city. They are satisfied with the scholarships, self defense training and environmental friendly activities of the college. They highly appreciate the discipline, value based education and advisor-advisee system of the college.

The analysis of alumni feedback shows that, in the view of the alumni of the college, the college is one of the best colleges in the city. They highly appreciate the value oriented education and basic facilities provided by the college. They appreciate activities of alumnae association. They want to contribute more towards the college's development.

By the analysis of stakeholders' feedback questionnaire we conclude that the most of the stakeholders appreciate the devotion of each and every employee towards the college. They highly appreciated the education system and personality development through the value oriented education of the college

			Board of studies	Education M.P.

### **Best Practice - I**

1. Title of the Practice:- "Education in human values and Sprituals inputs".
2. Goal
☐ To inculcate patriotism and spirituality
☐ To impart value-based education
☐ To arouse social consciousness
☐ To counsel the students for their emotional and spiritual well being.
☐ To inculcate calm and composure in the personality of students.
3. The Context:
Education in human values supplements secular education by addition of spiritual inputs.
Students are encouraged to understand and imbibe five fundamental human values i.e. Love,
Truth, Righteousness, Peace and Non-Violence. In our everyday activities, we use 5 techniques:
☐ Prayer and Positive thinking
□ Meditation
☐ Group devotional music
☐ Inspirational speech/lectures

Our focus is on practicing these values rather than just knowing them. It was conceived with the sacred aim of arousing nationalistic pride, imparting information and providing a platform for collective thinking and community feeling. Practice of Morning Assembly and collective prayer has an added significance and relevance in present times when gross materialism and consumerism have overburdened the society with an unending rat-race. In such a scenario little space is left for moral and patriotic values, having realized that values are imbibed rather than taught, the college has adopted this practice to counsel the students and inculcate those values that are needed to live in a pluralistic society and contribute to national development. It also is a subtle manifestation of the collective consciousness and purposeful education of the institution.

#### 4. The Practice:

☐ Group activities

Morning assembly is a regular and important feature of the college. It gives a much needed platform to meet all the students at one place. Official instructions, announcements regarding scholarships, trainings, intra-college and intercollegiate competitions and upcoming events are made. The students listen carefully to the instructions given during the assembly and follow them earnestly. The national flag is hoisted every morning and national song-Vande Matram, national

anthem-Jan Gan Man and Madhya Pradesh Gaan, are sung with nationalistic fervor. In keeping with the patriotic spirit and simplicity, traditional Indian uniform and dress code is followed in the campus (Salwar Kurta). It is compulsory for all students to come to college in uniform and teachers follow the dress code of sari. The morning assembly includes Sarvdharm prayer, thought for the day, mission of the college, National Anthem/National Song/Madhya Pradesh Song/Vedochharan.

#### **Sprituals Inputs-**

From 20.10.16 to 23.10.16, four days Residential Camp on Indian Culture and Spirituality was organized in the college. Smt. Snigdha Dutta being the covenor and Dr. Shampa Malhotra being the Co-Convenor co-ordinated with the Chairman and the Principal in organizing different activities of the camp. Hon'ble Minister of Higher Education Shri. Jaibhan Singh Pawaiyya graced the occasion as Chief Guest and Dr. Nitesh Bajpai as Special Guest. The Chairman College Governing Body Dr. Meena Pimpalapure presided over the function. The Biannual Multidisciplinary Research Journal Highbrow Vol.III, issue 1st October 2016 was also released by the guest. 30 Research Papers / Review Articles were published including contributors from the college and different colleges of Bhopal. Contributors included Professors, Assistant Professors, Research Scholars and PG students of different faculties. Dr. Vandana Agnihotri, Principal, SNGGPG College was the Chief Guest of the Valedictory Function. Shri. Tribhuwan Sachdeva graced the occasion as Special Guest and Shri. M.G.Paranipee presided over the Valedictory Ceremony. Around 178 students and the staffs were registered and participated in the camp. Dr. Binay Rajaram, Ex HOD Hindi Department was also felicitated for her 30 years of service in the Institution. Two days National Seminar organized by political Science Department on 9-10 September 2016 on Human Rights and Peace Building. On 13.10.16 Narayan Seva for class IV staff of the college was organized by B.Ed. department. One day workshop on human values & education was organized on 11.03.2017.

**Thought for the day** – is read out by a student everyday to instill values among fellow students to arouse the intellectual, moral consciousness of students. It works like a mantra for the Day to ponder upon. Collective prayer prepares every student to raise herself intellectually and morally so as to face the stern realities of life with confidence and courage. Each student of the college is expected to look on herself as the ambassador of the college and conduct herself with dignity that is worthy of the institution.

**Awards and Laurels** – The student achievers, who have won awards and honors for on the academic and co-curricular activities in collegiate and inter-collegiate activities are honored and

awarded in the assembly. Faculty achievements are also highlighted to provide inspiration to students.

The mission of the college to reinforce the culture of excellence and contribution to national development is substantially met with through morning assembly which imparts value-added education and inculcates patriotic fervor.

**Thursday spiritual class -** Every Thursday collective bhajans, and lectures on special topics are arranged. To enumerate, a few examples are listed below.

		Biotech Students on amazing facts of Science.
30.03.17	Meera Rani Saxena	Lecture on stress and time management.

National festivals are celebrated enthusiastically. We also celebrate Guru Poornima and Makar Sankranti with Bhajans and Laksharchan.

#### 5. Evidence of Success:

The practice of morning assembly and prayer has a great motivational impact on the student community. They are inspired by the achievements of their fellow students and various honors conferred on them. As a result, they try to explore their own potentials. Shedding their inhibitions they come forward to participate in various activities being organized by the college. What is laudable is that they make sincere efforts to attain established bench marks. The achievements of the competent teachers in their respective fields further boost them to give their best and outperform. Well-defined value system and love for our culture has given strong roots and poise to our students and facilitated their moral and intellectual growth. It has gone a long way in inculcating a strong sense of ethical values, a genuine concern for our culture and commitment to nationalistic causes. We have a galaxy of alumni who have done the college proud by making significant contribution in ameliorating the lot of oppressed, marginalized sections of society. A National seminar on "Human Rights and Peace Building" was organized on 9-10 September 2016, in which total 183 registrations were there. Apart from this a One day National workshop on Human Values and Education was organized on 11 March 2017 in which there were 163 registration.

#### 6. Problems Encountered and Resources Required:

Since the college runs in two overlapping shifts, it is difficult to organize and coordinate lectures for all the shifts together. A lot of rescheduling and adjustment in time table has to be done to enable all the teachers to meet their respective classes and prevent any academic loss. We do not have enough space to accommodate all the students at a time, so we need an auditorium for collective forums. Lack of financial resources prevents us from inviting experts of national and international repute.

#### 7. Notes-

To inculcate spiritual environment, any institute should incorporate healthy practices like Sarvdharma prayer/value based lectures/ thought for the day in there morning assembly on regular basis.

#### **BEST PRACTICE II**

**1. Title of the Practice:** Activities to Empower Women through Skill Development & Counseling.

#### 2. Goal:

- To give vocational, career oriented and technical education to lesser privileged women.
- To counsel and motivate women to lead a dignified life.
- To empower women for changing fundamental aspects for their own development..
- To sensitize women in general and society in particular about gender issues.
- To bring about behavioral change for ensuring gender equity.
- To contribute to national development.
- To empower lesser privileged women of slum area located near the college.
- To motivate girls of weaker section of society for higher studies.

#### 3. The Context:

Ever since its inception in 1974, the college has been rendering valuable service for the emancipation and empowerment of women. Fully aware of the countless psycho-social pressures which are deeply embedded in attitudes, practices and behaviour patterns across the world and adversely impact the well-being of women, our institution seeks novel and practical ways to create more opportunities for empowering women. Issues like gender discrimination within family, low self esteem due to social attitudes cause acute depression and lead to unhappiness among women. Economic dependence also limits the growth and development of women. Therefore the first step should be to make them economically independent. An effort is made to ameliorate the stress and limiting factors among women by helping women who could not complete their education due to familial, economic or social reasons. Skill development and vocational training in areas focusing on entrepreneurial skills, is provided to ensure employability.

#### 4. The Practice:

As a part of the mission of empowering women through education and self-reliance, the college has established the Women's Empowerment and Counseling Cell that is vigorously involved in providing guidance and job skills to women from lesser privileged sections of society.

The Centre is dedicated for improvement of the lives of young women through counseling and advocacy of a range of services that promote personal growth and economic independence. The center is engaged in creating awareness among woman enabling them to achieve equality and social justice. Some of the activities of the cell are:

#### Vocational Training: Following activities were organized-

- Training on Cashless Transaction
- Training on Net Banking
- Training on Worli Painting
- Vocational training on Art & Craft.

- Vocational training on Clay modeling.
- Vocational training on Block Printing.
- Training on "Mahila- Swa-Surakha".
- Training on "Breast Self examination".
- Vocational training on "Cloud Computing & Cyber Security".
- Vocational Training on Vermicomposting is given to women and students.
- Training on Traffic rules.
- Workshop on Resume Writing & Interview Skills.
- Counseling: The centre offers counseling to college students and lesser privileged women covering a number of issues like health, hygiene and alternate sources of income generation. Counseling is provided to women who have experienced violence and are coping with challenges (both physical and mental). Counseling services are offered for career options and support and strategies for coping with stress. Special sessions are conducted to create awareness amongst them regarding their health issues and their rights. Girls of the lesser privileged section of the society are motivated for higher studies. The illiterate women of the nearby slums are encouraged to come in to the campus and attend literacy classes conducted by our students of NSS and B.Ed. department.
- Awards and Laurels: The young women, who have been able to achieve the desired goal of economic independence and have set up entrepreneurial units are honoured and awarded prizes to inspire and motivate other women/girls to aim for the sky and achieve their goals. The initiatives of all the participants/trainees are lauded and given due recognition at the annual function of the college to motivate others to shed their inhibitions, recognize their latent potential and realize their dreams.

#### 5. Evidence of Success:

- Chief Superintendent Ms. Mushtak Ahmed and Mushtak khan Trained 103 girls for Self-Defence from 01.8.16 to 31.8.16. This program was in association with Women's Crime Branch, Bhopal and Sports Department of the college. We organize this activity every year.
- Most of the students of the college participate enthusiastically in these activities.
- We organized vocational training for the students and students attended these workshops enthusiastically. At the end of these workshops students organized an exhibition to showcase their products and put it for sale.

#### 6. Problems Encountered and Resources Required

- Women of weaker sections of the society have their own social and economic boundaries to overcome for attending such activities.
- Due to erratic schedule of University Examination, adherence to academic calendar provided by Higher Education is difficult so the students feel the paucity of time to involve in such activities.
- Lot of will power, funds and manpower are required for conducting such activities.
